

# Colombia Telecomunicaciones S.A. E.S.P BIC

## Ignacio Magán Sánchez

Regional Treasury Director at Millicom (Tigo)

Nominee Board Member

Joined Millicom in 2014, having held various roles across the Company. Brings extensive experience in accounting, corporate finance, treasury, and strategic planning, with a consolidated track record in the telecommunications industry across Latin America.

In his current role, leads financial management in complex multinational environments, including capital structure optimization, access to international markets, and the development of local currency financing solutions. Experience in the information and communications technology industry includes support for digital infrastructure investments (4G/5G, fiber optics, and enterprise connectivity), as well as risk management in emerging markets.

Possesses strong expertise in financial risk management, including foreign exchange, interest rate, liquidity, and refinancing risk, as well as experience in the structuring of financial instruments and engagement with investors, multilateral institutions, and regulators. Has been actively involved in processes with legal and regulatory implications, including international debt issuances, financial documentation, and covenant compliance.

Rounds out his profile with a commercial outlook oriented toward the financial sustainability of the business, supporting strategic decisions that balance growth, profitability, and capital structure. Has also managed high market volatility scenarios and financial stress situations, contributing to decision-making in contexts of uncertainty and crisis management.

Holds a degree in Business Administration and Management from the Universidad de Castilla-La Mancha, an international certification in Corporate Finance (ICCF) from Columbia Business School, and executive training in Treasury Management from Florida International University.
