## Karim Antonio Lesina

Executive Vice President and Chief External Affairs Officer at Millicom

Nominee Board Member

Executive Vice President and Chief External Affairs Officer at Millicom since November 2020. In this role, oversees the group's Government Relations, Regulatory Affairs, Corporate Communications, and ESG (Environmental, Social and Governance) functions, with a focus on developing and driving Millicom's global engagement to support business objectives, with particular responsibility for special situations and reputation strategies.

AT&T: Prior to joining Millicom, served as Senior Vice President of International External and Regulatory Affairs, leading internal and external regulatory affairs teams for AT&T and its global subsidiaries.

Intel: Served as Government Affairs Manager for Europe, Africa, and the Middle East.

Early career: Gained broad agency experience working with multinational public relations and communications firms.

An active member of various community and industry organizations, serving in roles including:

- Co-founder of the Center for Latin America Convergence.
- Co-Chair of the Corporate Council of the Meridian International Center.
- Vice Chair of the Audit Committee and Board Member of IREX, a nonprofit organization committed to global development and education.
- Board Member of the United States Telecommunications Training Institute (USTTI).
- Member of the GSMA Policy and Regulation Directors Group.
- Board Member of Cogni, a New York-based digital banking application.
